Have you found the same products cheaper elsewhere online?

Although we make every effort to check our prices regularly to provide our customers with high-quality heater/electrical parts at the best prices, the sheer volume of parts we stock means that sometimes parts may be available elsewhere online at different prices.

Should you find any of our products cheaper elsewhere online, please contact us via email or telephone, and we will be *more than happy to **attempt to match/beat** the price you have been quoted*. Please have the details of the product in question, and the website URL where you have seen this item cheaper.

You can email us at info@mellorautoelectrical.co.uk or you can call 01924 274774 during office hours, where we will be happy to help you.
